

TRANSFER GUIDE/BDP

BS, Nutrition & Foods, Foodsystem Management, 840C
 Appalachian State University
 2023-2024

[Department of Nutrition & Healthcare Management](#)
[Beaver College of Health Sciences](#)
[Program of Study](#)

HOW-TO Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the gray section. Once at Appalachian, students will work with an advisor to develop an individual graduation plan.
3. Important transfer and major information is listed in the white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

Please note - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

Community College Coursework: 60-61 Transfer hours		Associate in Arts			
Semester	NCCC Course	Course Name	Hours	Appalachian Equivalent	Notes
Semester 1: 14-15 hours	ENG 111	Writing & Inquiry	3	RC 1000

		Semester Hours	6	
		Total Appalachian hours	65	

Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.

Transfer Information:

- The Beaver College of Health Sciences encourages students to complete an AA degree prior to transferring. (Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.)
- If an AA degree is complete, students can expect two years and a summer semester to complete their BS degree.
- NUT Foodsystems grade requirements: All NUT Foodsystems majors must earn a minimum grade of "C" (1.7) in each NUT course.
- A minor is required in Global Studies; Hospitality and Tourism Management; Public Health; Sustainable Development; or Nonprofit Management. Other minors by permission of the program director.
