

TRANSFER GUIDE/BDP for ASTP

BS, Elementary Education, 441A
Appalachian State University
2022-2023

Department of Curriculum & Instruction
College of Education
Program of Study

How-to Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the top yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the middle gray section. Once at Appalachian, students will work with an Appalachian advisor to develop an individual graduation plan.
3. Important transfer and major information is listed in the bottom white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

Please note - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 1st and those hoping to attend in the spring are encouraged to apply by October 15th.

Community college graduates must obtain a grade of "C" or better in each course and an overall GPA of at least 2.7 on a 4.0 scale to transfer with a junior status, per the state-wide articulation agreement.

To be admitted to the Reich College of Education for teacher education, a student must meet the following criteria:

- Complete 45 hours with a 2.7 GPA (2.7 GPA must be maintained)
- Complete the Praxis Core
- Be proficient in Reading and English
- Pass the background check

Second Academic Concentration (SAC)

- Required of all Elementary Education majors
- 18 hours each
- **If completing the AS in Teacher Prep, it is recommended that students complete either the Diversity Studies OR the Math, Science & Technology SAC to be able to complete the degree in the time laid out in this plan.**
- The SAC DOES NOT have to be completed before transferring to Appalachian but should be selected as early as possible. Students will work with an Appalachian advisor, after transferring, to develop an individual graduation plan.
