

TRANSFER GUIDE/BDP

BSN, Nursing, 809A  
Appalachian State University  
2022-2023

Department of Nursing  
Beaver College of Health Sciences  
Program of Study

STUDENTS WHO HAVE COMPLETED AN AA & ALL BSN PREREQUISITE COURSES SHOULD PLAN TO BEGIN APPALACHIAN COURSEWORK DURING THE SUMMER TERM. APPLICATION TO BSN PROGRAM REQUIRED - SEE NOTES.

HOW-TO Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the top yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the middle gray section. Once at Appalachian, students will work with a BSN advisor to develop their class schedule.
3. Important transfer and major information is listed in the bottom white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

**Please note** - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

#### Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.
- **Students completing an AA should apply to the university during their second fall semester at the community college, so to receive an admission decision before the BSN application is due mid January. Students must be accepted to the University before applying to the BSN program.**

#### Transfer Information:

- The Beaver College of Health Sciences encourages students to complete an AA degree prior to transferring.
- A separate application is due for admission to the BSN program, with 45 students accepted to each cohort:
  - 3.00 minimum GPA required to apply - all previous college GPAs are included in the calculation
  - 3.5-4.0 is the GPA range for accepted students
  - A grade of B- or better is required in all science coursework
  - **Beginning with the January 2022 program admission cycle, students will be required to be a certified nursing assistant (CNA) before applying.**
- Due to complete application & admission standards, all students are encouraged to have a parallel plan, should they not be offered admission to the BSN program.
- Students may be allowed to repeat one nursing course one time if they earn a grade below a C/2.0 in a course. Failure to earn a minimum C/2.0 in each nursing (NUR) course results in dismissal from the program.
