NEW FALL 2021

TRANSFER RESIDENCE HALL

Opening in Fall 2021, University Housing and Online & Transfer Services are pleased to offer an exciting living opportunity for our transfer students. In this hall (located in the former [Appalachian Panhellenic Hall](#) - this hall will be co-ed beginning Fall 2021), students will be surrounded by other transfer students from a range of institutions around the country who will live and experience their new environment together through expanded programming.

[Housing applications](#) for new students open February 8, 2021. Students will be assigned to this hall based on their application date so the earlier you confirm your enrollment & apply for housing the better your chance of living here.
