HOW-TO Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the top yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement \(CAA\) transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the middle gray section. Students will work with an Appalachian advisor, after transferring, to develop an individual graduation plan.
3. Important transfer and major information is listed in the bottom white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

Please note - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.

The following courses can be taken at the community college to meet major requirements. Please note, these courses are not CAA approved and students should consult with their community college to see if these courses can be taken for transfer degree completion.

- CMT 120 & ARC 111 = TEC 1708
- ARC 114/114A & ARC 221 = TEC 1728
- MEC 165 or 145 = IND 2110
- CIV 210, EGR 230 OR MEC 180 = TEC 3039

Second Academic Concentration: 9-12 hours: Students can choose from one of the four recommended second academic concentrations.

Community college course options for SAC completion are provided

- Graphic Communication: PHO 110 & GRA 121
- Material Science: PHY 151 & 152 (If Physics taken as science sequence for AA degree, courses will count in both the major & SAC)
- STEM: MAT 152
- Sustainable Design & Technology: HUM 110 (will count in both major and SAC)

To be admitted to the Reich College of Education for teacher education, a student must meet the following criteria:

- Complete CI 2300 and FDN 2400 with a C or better
- Complete 45 hours with a 2.7 GPA (2.7 GPA must be maintained)
