

TRANSFER GUIDE/BDP

BS, Industrial Design, Product Design, 576 C  
Appalachian State University  
2022-2023

[Department of Applied Design](#)  
[College of Fine & Applied Arts](#)  
[Program of Study](#)

**DUE TO UNIVERSITY COURSE SEQUENCING, IT IS STRONGLY RECOMMENDED THAT STUDENTS COMPLETE 30 HOURS OF UGETC COURSEWORK AND THEN TRANSFER.**

**HOW-TO Use the Transfer Guide/BDP**

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the top yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement \(CAA\) transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the middle gray section. Some majors recommend a summer start term, which is listed in red at the top of the transfer guide/BDP and again in the grey section. Students should use this information to apply to Appalachian based on the recommended start term.
3. Important transfer and major information is listed in the bottom white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

**Please note** - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

**Applying to Appalachian:**

- A minimum cumulative GPA, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.
- **Transfer students need to plan to take a summer course sequence in order to be eligible for sophomore portfolio review in spring of their first full year.**

**Transfer Information:**

- Students who complete an AA degree at a NC community college, will not be required to complete Appalachian's general education requirements. **Completing the AA degree will result in students taking courses that will not benefit them in the major and extend time to graduation.**
- Students transferring after completion of 30 hours of UGETC coursework will be required to complete Appalachian's general education requirements.
