

TRANSFER GUIDE/BDP

BS, Interior Design, 550A
Appalachian State University
2023-2024

Department of Applied Design
College of Fine & Applied Arts
Program of Study

DUE TO UNIVERSITY COURSE SEQUENCING, IT IS STRONGLY RECOMMENDED THAT STUDENTS COMPLETE 30 HOURS OF UGETC COURSEWORK AND THEN TRANSFER.

STUDENTS SHOULD APPLY FOR A SUMMER TERM AS THEIR FIRST SEMESTER AT APPALACHIAN.

HOW-TO Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement \(CAA\) transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the gray section. Some majors recommend a summer start term, which is listed in red at the top of the transfer guide/BDP and again in the grey section. Students should use this information to apply to Appalachian based on the recommended start term.
3. Important transfer and major information is listed in the white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

Please note - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

Applying to Appalachian:

- A minimum cumulative GPA, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.
- **Students transferring into the Interior Design major should apply for the first summer session and plan to take two classes each session, as shown above.**

Transfer Information:

- A portfolio is not required for admission to the program; rather the student is required to complete the portfolio review at the end of the accelerated summer session foundation. Students who complete the accelerated summer session, and pass the portfolio review, can expect 3 years to complete the degree.
- Students who transfer in the fall, can expect 4 years to complete the degree.
- Students who complete an AA degree at a NC community college will not be required to complete Appalachian's general education requirements. Completing the AA degree will result in students taking courses that will not benefit them in the major and extend time to graduation.
- Students transferring after completion of 30 hours of UGETC coursework will be required to complete Appalachian's general education requirements.
- To be considered for transfer credit for any INT course a portfolio of all work must be submitted and received prior to Reading Day of the FALL or Spring semester prior to entering Appalachian State University.
- Minimum grade C/2.0 required in each major course
