HOW-TO Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the top yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the middle gray section. Once at Appalachian, students will work with an advisor to develop an individual graduation plan.
3. Important transfer and major information is listed in the bottom white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

Please note - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have changed.

Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.

Transfer Information:

- The Beaver College of Health Sciences encourages students to work to complete an AA degree prior to transferring. If the AA degree is completed, students can estimate 2.5 years at Appalachian to complete the BS degree.
- **Public Health majors must earn at least a 2.5 GPA and earn a C in all PH Core classes.**
- Incoming transfer students should take at least PH 2000, PH 2200, and a Stats class (if MAT 152 not taken at community college) their first semester at Appalachian.
- For students who are considering a pre-professional track following graduation (pre-med, PT, OT, nursing, etc.) they can use guided electives to fulfill prerequisite requirements.
- It is strongly encouraged that students considering pre-health careers make an appointment with the Health Professions Advising (HPA) office, after transferring, to discuss graduate programs and requirements.
