HOW-TO Use the Transfer Guide/BDP

The Transfer Guides/BDPs have three sections:

1. The NC Community College courses are listed in the yellow section. Recommended and/or preferred courses are provided, with the equivalent Appalachian courses listed. If a specific course is not listed, students should use the blue hyperlink to access the [Comprehensive Articulation Agreement \(CAA\) transfer course list](#). Students are welcome to choose any CAA course; however, students should choose courses that are available at their institution and satisfy their transfer degree requirements.
2. Appalachian courses are listed in the gray section. Some majors recommend a summer start term, which is listed in red at the top of the transfer guide/BDP and again in the gray section. Students should use this information to apply to Appalachian based on the recommended start term.
3. Important transfer and major information is listed in the white sections. Students should refer to these sections for information regarding program requirements and other important information the department would like students to be aware of.

Please note - Transfer Guides/BDPs are developed based on the approved curriculum for that catalog year. Depending on term of entry and the curriculum posted for that catalog year, programs of study may have

Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian must submit an application and official college transcripts to be considered for admission.
- Students hoping to start in the summer or fall terms are encouraged to apply by February 15th, and those hoping to start in the spring term are encouraged to apply by October 15th.

Advising & Community College Course Selection:

- For UGETC, Pre-Major, Elective, or GEC course options please refer to the [Comprehensive Articulation Agreement transfer course list](#).
- Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.

Degree Information:

- A minor is **not** required for this degree but a minor in Community & Regional Planning or Sustainable Technology is recommended.
- Students completing an AA degree can expect up to three years to BS degree completion. *(Of note, summer coursework while at App State could help with the time to degree completion.)*
- A 2.5 cumulative GPA is required for admission into courses from the Intermediate Coursework Sequence.
- A minimum grade of C/2.0 is required in each required major course (exclusive of electives).
