## Transferring with a 2-year Degree from a NC Community College

### The Process:

- Complete 31 – 34 UGETC courses, depending on degree (first and second semesters)
- Select intended transfer major and university (begin application process second semester)
- Complete additional general education and pre-major courses, as dictated by receiving university's transfer four-year guides (third and fourth semesters)

### Note:

- 30 hours of UGETC courses are guaranteed to transfer into the General Education program
- Students should seek guidance from their community college advisor to ensure course equivalency and appropriate selection
