Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian must submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to begin in the summer or fall term are encouraged to apply by February 15th and those hoping to begin in the spring term are encouraged to apply by October 15th.

Advising & Community College Course Selection:

- For UGETC, Pre-Major, Elective, or GEC course options please refer to the [Comprehensive Articulation Agreement transfer course list](#).
- Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.

Transfer Information:

- Students are strongly encouraged to transfer in the summer.
- Students completing an AA degree prior to transferring can expect two and 1/2 years to complete this degree.
- Students should complete a UGETC 2-semester Science sequence in either Biology, Chemistry, or Physics.
