Applying to Appalachian:

- A minimum cumulative GPA, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.
- **Transfer students need to plan to take a summer course sequence in order to be eligible for sophomore portfolio review in spring of their first full year.**

Advising & Community College Course Selection:

- For UGETC, Pre-Major, Elective, or GEC course options please refer to the [Comprehensive Articulation Agreement transfer course list](#).
- Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.

Transfer Information:

- Students who complete an AA degree at a NC community college, will not be required to complete Appalachian's general education requirements. Completing the AA degree will result in students taking courses that will not benefit them in the major and extend time to graduation.
- Students transferring after completion of 30 hours of UGETC coursework will be required to complete Appalachian's general education requirements.
