**Applying to Appalachian:**

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.
- Students completing an AA should apply to the university during their second fall semester at the community college, so to receive an admission decision before the BSN application is due mid January. Students must be accepted to the University before applying to the BSN program.
- Students completing an AA degree should apply for the first summer session, which starts the end of May.

**Advising & Community College Course Selection:**

- For UGETC, Pre-Major, Elective, or GEC course options please refer to the [Comprehensive Articulation Agreement transfer course list](#).
- Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.

**Transfer Information:**

- The Beaver College of Health Sciences encourages students to complete an AA degree prior to transferring.
- A separate application is due for admission to the BSN program, with 45 students accepted to each cohort:
  - 3.00 minimum GPA required to apply - all previous college GPAs are included in the calculation
  - 3.5-4.0 is the GPA range for accepted students
  - A grade of B- or better is required in all science coursework
- Due to competitive application & admission standards, all students are encouraged to have a parallel plan, should they not be offered admission to the BSN program.
