

# Checking Outstanding Financial Aid Requirements through AppalNet

Appalachian's AppalNet Portal is the one-stop source for information and resources from the Appalachian State community. Students have direct access to all aspects of their accounts. Grades, registration information, targeted announcements, **financial aid** and account information, are all available to the student through the single portal. These resources allow students to personalize and manage their access to services across a broad spectrum including class registration, grades, degree audit management, billing and payments, parking, campus housing and other student activities.

1. Begin by going to [www.appstate.edu](http://www.appstate.edu) where you will find the link to your AppalNet sign on.

The screenshot shows the Appalachian State University website. At the top left is the logo for Appalachian State University. To the right is a search bar with the text "Search" and options for "Web", "People", and "Advanced search". Below the search bar is a navigation menu with links for "Current Students", "Parents & Family", "Faculty & Staff", "Alumni", "Community", "A-Z", "AsULearn", "AppalNet", "Library", "Employment", and "Give". Below this is another navigation menu with links for "About", "Visit", "Admissions", "Academics", "Campus Life", and "Why Choose App?". A red arrow points to the "AppalNet" link in the top navigation menu. Below the navigation menu is a large graphic of a globe with three stylized figures inside, and the text "Let's talk immigration". Below this is a paragraph of text: "We've consulted our internal experts, done some homework and gathered information to sort matters out and share sound information." and a "Learn more" button. At the bottom of the page is a footer with four icons and text: "Apply", "Visit Us", "Request Info", and "Find a Program".
