Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.

Advising & Community College Course Selection:

- For UGETC, Pre-Major, Elective, or GEC course options please refer to the [Comprehensive Articulation Agreement transfer course list](#).
- Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.

Transfer Information:

- The Beaver College of Health Sciences DOES NOT encourage students to complete an AA degree when pursuing a degree in Nutrition. It is highly recommended that student complete 30 UGETC hours and then transfer to Appalachian.
- If an AA degree is completed, students can expect another 3 years to complete their BS degree.
- Students planning to become a Registered Dietitian should complete all requirements, as outlined on the Nutrition and Foods website, found [here](#).
- Students will also have to become licensed in the state of North Carolina, if planning to work in the state.
