Applying to Appalachian:

- A minimum cumulative GPA of 2.25, from all post-secondary coursework, is required for admission to Appalachian.
- Students interested in applying to Appalachian should submit an on-line application and official college transcripts to be considered for admission.
- Students hoping to attend a summer or fall term are encouraged to apply by February 15th and those hoping to attend in the spring are encouraged to apply by October 15th.

Advising & Community College Course Selection:

- For UGETC, Pre-Major, Elective, or GEC course options please refer to the [Comprehensive Articulation Agreement transfer course list](#).
- Students should work with their community college academic advisor to ensure appropriate course selection for AA degree completion.

Transfer Information:

- The Beaver College of Health Sciences encourages students to work to complete an AA degree prior to transferring. If the AA degree is completed, students can estimate 3 years at Appalachian to complete the BS degree.
- Incoming transfer students should take at least PH 2000, PH 2200, and a Stats class (if MAT 152 not taken at community college) their first semester at Appalachian.
- For students who are considering a pre-professional track following graduation (pre-med, PT, OT, nursing, etc.) they can use guided electives to fulfill prerequisite requirements.
